

5 Year Limited Warranty

CW Welding and Fabrication, LLC (Warrantor) guarantees that the chassis' they provide are free from defects in the design and workmanship. They are built to withstand a specified load and are to be maintained in accordance to given instruction. This extended warranty only applies to frames manufactured after January 2017, date can be found welded under hitch.

Limitations

CW Welding and Fabrication, LLC must be given a reasonable opportunity to inspect the product before it will honor any claims under the above guarantee. This warranty obligation only applies to the chassis that becomes structurally unfit due to the faulty construction by the Warrantor. If after inspection and verification of the problem, CW determines that there is a failure covered by the above guarantee, CW Welding and Fabrication, LLC will repair the failed product provided by the Warrantor.

The above guarantee shall apply only if the frame is subjected to normal use and exposure. The product must be stored, handled and maintained in a manner generally accepted in the industry, in accordance instructions given and in compliance with the product design specifications relative to loading. The time frame is based upon the stamped date of manufacture or proof of original purchase, whichever is later. Failure to follow such instructions will void this guarantee.

Disclaimer

Except for the express guarantee and remedy set forth above, CW Welding and Fabrication, LLC disclaims all other warranties and guarantees, express or implied, including implied warranties of merchantability or fitness for a particular purpose. No other warranty or guarantee will be made by or on behalf of this manufacturer or the seller or by operation of law with respect to the product or its installation, storage, handling, maintenance, use, replacement or repair. Neither CW nor the seller shall be liable by virtue of any warranty or guarantee for any special, incidental, or consequential loss or damage resulting from this use of the product. CW Welding makes no warranty or guarantee with respect to installation of the product by the builder or builder's contractor or by any other installer. If repair or replacement is done outside of Warrantor's capacity the warranty claim may be void and if there is no notification given to Warrantor about problems, then redemption of the warranty may be limited.
